

COOKIE POLICY

1. About This Policy

This policy explains how Footloose Performing Arts Ltd (“Footloose”, “we”, “us” or “our”) uses cookies and similar technologies when you visit:

www.footlooseperformingarts.co.uk

It should be read alongside our privacy policy.

2. What Are Cookies?

Cookies are small text files placed on your computer, tablet or mobile device when you visit a website. Cookies allow websites to function securely, remember choices and, where permission has been given, collect information about how visitors use the website.

Similar technologies, including pixels, tags and local storage, may operate in a comparable way. In this policy, we refer to these technologies collectively as “cookies”.

3. How We Use Cookies

We use cookies to:

- operate and secure our website;
- remember visitors’ cookie choices and preferences;
- understand how visitors interact with our website;
- identify and resolve website-performance issues; and
- support optional features and third-party content where applicable.

We will not place non-essential cookies on your device unless you have given your consent, except where their use is otherwise permitted by law.

4. Types of cookies we use

Strictly necessary cookies

These cookies are required for our Wix website to operate securely and correctly. They may support functions such as security, fraud prevention, network

management and remembering your cookie choices. They cannot normally be switched off through our cookie settings.

Analytics cookies

These cookies help us understand how visitors use our website, such as which pages are visited and whether visitors encounter errors. We use this information to improve the website. Analytics cookies will only be used where you have provided consent or where their use is otherwise permitted by law.

Functional cookies

These cookies support additional features and remember choices made by visitors. If you do not allow these cookies, some optional website features may not work correctly.

Marketing cookies

Marketing cookies may be used to measure the effectiveness of advertising or understand visitors' interests. We will only use these cookies where they are present on our website and you have consented to them.

5. Cookies used on our website

Our website is hosted through [Wix.com](https://www.wix.com). Wix may place cookies that are required to operate and secure the website. Other cookies may be placed depending on the features, applications and integrations enabled on our website.

A current list of the cookies identified on our website, including their provider, purpose, category and duration, is available through our website's cookie settings or cookie declaration.

6. Third-party services and external links

Our website may contain links to third-party websites and services, including Class Manager and our social-media pages. When you follow an external link, that provider may use its own cookies. Those cookies are controlled by the relevant third party and are governed by its own cookie and privacy policies.

Links alone do not normally allow the third party to place cookies through our website. However, embedded third-party content may do so and will be subject to the visitor's cookie choices where applicable.

7. Your cookie choices

When you first visit our website, you can use our cookie banner to:

- accept all cookies;
- reject non-essential cookies; or
- manage individual cookie categories.

You can change or withdraw your consent at any time by selecting the **Cookie Settings** or privacy icon available on our website.

Withdrawing consent will not affect the lawfulness of any processing that occurred before consent was withdrawn. Disabling some cookies may affect the availability of optional website features.

You can also delete or block cookies through your browser settings.

8. Changes to this policy

We may update this Cookie Policy when our website, the cookies we use or the relevant legal requirements change. The latest version will always be published on our website with its updated review date.

9. Contact us

If you have any questions about our use of cookies, please contact:
